**Hon. Irshad Hussain, J.**

Heard Mr. V. B. S. Negi, learned counsel for the petitioner and learned Standing Counsel.

The petitioner is working as a Lecturer in G. I. C. Uttarkashi since 1988. He has been transferred to G. I. C. Banchora. The petitioner tried to canvass a grievance against the order of transfer. However, as reported the petitioner was working at Uttarkashi for more than ten years. As such we do not propose to interfere with the order of transfer.

Mr. Negi further made a submission that the petitioner's wife is also working as a Head Mistress in the Primary School Gyansu(Purana), District Uttarkashi and in view of the transfer there will be separation.

Having regard to this aspect, we direct the State Government to consider as per their policy the matter of transfer of the wife of the petitioner either to Banchora or nearby place as far as practicable. With this the petition is disposed of.
